

Key messages

- Rwanda hosts 149,546 refugees as of 31 October 2019. 51% of the refugees are from Burundi while 49% are from the DRC. Although they are gradually being integrated to the national social and economic systems, camp-based refugees remain heavily dependent on humanitarian assistance.
- Despite the generally favorable production prospects, relatively heavy rainfall also increases risks of flooding in lowlands across the country and of localized landslides, particularly in the Western province. These disasters are likely to cause the loss of household assets and destruction of crops in some areas.
- World Vision Rwanda was among the partners who received two groups of evacuees from Libya at Gashora reception Centre, the first group of 66 people arrived on September 26, 2019 and a second group of 123 people on October 10, 2019.

Response highlights

WATER, SANITATION & HYGIENE

- Clean potable water was supplied to 31,487 refugee and host community members in Mugombwa and Kigeme refugee camps.
- Sanitation facilities were maintained and hygiene campaigns conducted to 92,808 people in Mugombwa, Kigeme and Mahama Refugee Camps.

EDUCATION

- World Vision Rwanda supported 27,596 refugee children to access education through ECD, Primary and Secondary schools. The support included teacher's incentives, school feeding and school fees for students in boarding schools for children in Mugombwa, Kigeme, Kiziba, Gicumbi and Nyabiheke Refugee Camps.
