

Two years on, World Vision’s humanitarian response to the crisis has spanned four countries working with 78 partners: Ukraine, Romania, Moldova and Georgia, providing for the needs of over 1.6 million people, almost half of whom are children. These include the internally displaced, refugees and host families.

The ongoing war in Ukraine has impacted the lives of 21.3 million people according to **UNOCHA’s 2024 Humanitarian Needs Overview**. At least **3.3 million people** live in frontline communities, including those in the occupied territories. An estimated **4 million** Ukrainians are internally displaced, and over **100,000** live in collective sites.

World Vision works with national and international partners across **24 regions of Ukraine** assisting over **1 million people** in the country.

World Vision has operated in **Romania** for more than **30 years** and delivered assistance in the first weeks of the war. The response supported **310,330 refugees**, host families and institutions through **17 partners in 13 municipalities**.

Moldova rose to welcome refugees where World Vision was registered to operate in May 2022. Supported by **10 partners in 33 districts**, World Vision assisted over **298,000 refugees** and host families.

World Vision is one of the leading advocates for children’s rights in **Georgia** with over **20 years’ work** in the country, providing assistance to **25,292 Ukrainian refugees** in four districts.

Ukraine Crisis Response Goal

Deliver inclusive, need driven humanitarian assistance to refugees, internally displaced persons and the most vulnerable children and their families in Ukraine, Romania, Moldova and Georgia.

Strategic Objectives

1. Deliver life-saving in-kind and cash assistance to meet basic needs.

2. Nurture a protective environment for Children and their families to promote good psychosocial well-being and learning.

3. Improve access to livelihood opportunities through skills development and provision of targeted support.

4. Support equitable, dignified and empowering local partnerships to respond effectively and efficiently to needs.

Finances

World Vision supporters around the world together with our donor and partner organisations have been incredibly generous in helping enable this life-supporting work since the onset of the war through grants, appeal alliances and private funding.

Since the Ukraine Crisis Response began operations in 2022, the World Vision Partnership has raised \$140 million USD to support this critical work.

This response would not be possible without the generosity of World Vision supporters in Australia, Austria, Canada, Finland, France, Germany, Hong Kong, Japan, Netherlands, New Zealand, Singapore, South Korea, Spain, Switzerland, Taiwan, U.K. and the U.S.
