

Menstrual Hygiene Day

World Vision Lesotho key interventions towards Menstrual Hygiene:

14,600 girls received sanitary pads since 2019 across all our Area Programs

87 Schools provided with sanitation facilities, benefiting **30,450** learners since 2018

526 schools provided with handwashing facilities since 2021, benefiting **187,454** boys and girls.

Over **17,650** boys and girls were taught about menstrual health issues
