

# A PLACE THAT BELONGS TO US

Children Speak Out for Safety and Justice in Pitseng

# A POWERFUL MOMENT OF TRUTH AND HOPE

Mafofologo; speaking on behalf of the children of Pitseng, reminded us what transformation looks like.

**A STEP TOWARDS JUSTICE**

I am very happy today to see this building. We have come a long way with World Vision, and we will continue to walk this journey together.

**NO MORE**

**FEAR.**

**NO MORE**

**SILENCE.**

The new child friendly, Child and Gender Protection Unit is a space where children feel safe, seen, and welcome.

**A LESOTHO WHERE EVERY CHILD IS SAFE.**

This building is very child friendly, and as children we already feel confident to walk inside not feeling intimidated.

“

# A NEW SPACE OF PROTECTION DESIGNED WITH CHILDREN IN MIND

A safe space where children no longer whisper their pain, but speak with courage.

**A STEP TOWARD HEALING.**

STOP CHILD

We thank World Vision from the bottom  
of our hearts. I pray this work spreads  
across Lesotho.
